Il diagramma illustra un'autostrada a 3 corsie in ogni senso, con 10 punti di sorveglianza (Rampas 1-10) e 3 punti di controllo (Rampas 11-13). Le corsie sono indicate da linee tratteggiate. I punti di sorveglianza sono contrassegnati da cerchi neri e numerati. I punti di controllo sono contrassegnati da rettangoli neri e numerati. Le corsie sono indicate da linee tratteggiate. I punti di sorveglianza sono contrassegnati da cerchi neri e numerati. I punti di controllo sono contrassegnati da rettangoli neri e numerati.
